The BMA

**prepares the specific places
for disposal of
used surgical masks**

as a service for citizens

**For general houses,
separately dispose the used
surgical masks or wait for
the district office's
garbage-collection truck to collect.**

**Otherwise, dispose the used surgical masks
into special bins prepared by the BMA at:**

50 district offices,

**68 BMA
public health centers,**

and 9 BMA hospitals.
